## Jennie Garth has a friendly lunch with her ex husband Peter Facinelli

Jennie Garth and her ex-husband, “Twilight” hunk Peter Facinelli, seem to be on very good terms despite their split. The pair, who finalized their divorce last month after 11 years of marriage, were spotted dining together at **Carmine’s Italian restaurant** on Wednesday. “They seemed very amicable,” said a spy. The actors share 50-50 custody of their three daughters, Luca Bella, 15; Lola Ray, 10; and Fiona Eve, 6 — but they’ve said they do not need a formal custody arrangement.
